# SUMMER SPECIALTY CAMPS AUGUST 2022

## Bohemian Week

**Ages 10+**

**M - F, Aug. 8 - Aug. 12**

**9 am - 12 pm**

**Senior/Community Center,  
Lower level**

The Boho Style for Summer. This style of top/dress never goes out of fashion and is perfect for the hot summer months. At the beginning of class, each designer will get to select their own fabric. You will start with sketching and rendering your design. Measuring, pinning and cutting out your design.

**Fee: \$310.00**

*Fashion First  
Workshops*

## Kentucky Derby

**Ages 7 - 10**

**M - F, Aug. 15 - Aug. 19**

**9 am - 12 pm**

**Senior/Community Center, Lower level**

Calling all fashion designers! Do you have a passion for fashion? With the help of Fashion First Workshops, the student designers will create the all-new design the Flowing Derby-inspired dress and hat! You'll be able to wear the dress and accessories that we create all Summer long!

**Fee: \$310.00**

## Dino Dig Fossil Hunt

**Grades 1 - 5 Fall 2022**

**M - F, Aug. 8 - Aug. 12**

**9 am - 12 pm**

**Senior/Community Center, Lower level**

Explore the ideas & methods of Archeology, Paleontology, & Geology & take part in a simulated fossil excavation, uncovering the bones of a model dinosaur! Each child will assemble the fossils from their own "dig" to complete a 3-dimensional model of a dinosaur to take home. We use geologic time & fossil charts to compare living things then & now, & identify 20-million-year-old shark teeth, T-Rex teeth and dinosaur eggs.

**Fee: \$160.00**

## Electrifying Fun

**Grades 1 - 5 Fall 2022**

**M - F, Aug. 8 - Aug. 12**

**1 pm - 4 pm**

**Senior/Community Center, Lower level**

Learning about electronics is a snap in this hands-on workshop that uses safe and easily built, kid-friendly circuitry kits. Participants become Electrical Engineers to experiment with their own kit to take home at the end of the workshop. Transform electrical energy into light, motion, and sound! Build a musical doorbell, burglar alarm, or even your own radio!. This is the perfect program for emerging engineers!

**Fee: \$160.00**

## Make It & Take It Home

**Grades 1 - 5 Fall 2022**

**M - F, Aug. 15 - Aug. 19**

**9 am - 12 pm**

**Senior/Community Center, Lower level**

You will make and take home a wide assortment of toys. Make an energy bead bracelet that changes to rainbow colors before your eyes! Grow a crystal tree overnight! Make a colorful kaleidoscope, create a Sharpie tie-dye t-shirt, and write secret messages in invisible ink! Make your own slime, flubber, and other cool projects. Wrap up the workshop by making ice cream using science.

**Fee: \$160.00**

## Creative Engineering

**Grades 1 - 5 Fall 2022**

**M - F, Aug. 15 - Aug. 19**

**9 am - 12 pm**

**Senior/Community Center, Lower level**

Are you ready to use your imagination to design and build? Become a creative Engineer and work with an advanced three-dimensional construction kit that is yours to keep and take home. Design and build simple or complex models of a vehicle, robot, moving creatures, or buildings. You will also get your own 3-volt, geared motor, and learn the many ways to make it run. Build the fun into your creations, either from directions or your own imagination!

**Fee: \$160.00**

**Register for both AM & PM sessions & save.  
Stay for lunch!\***

**M - F, Aug. 8 - 12 and/or Aug. 15 - 19, 9 am - 4 pm**

**Fee: \$300.00**

\*Participants provide their own lunch
