RE: Heritage Courts

In light of recent events and the increasing demand for court time, please note the following rules which will take effect until permanent rules are enacted by this office.

1. Courts are open from 8am to dusk. When school is in session, courts are reserved for school activities and not available to the public until 3pm.
2. When open to the public, courts may be used for private play or round robin play. Private courts are subject to a one-hour limit and should be turned over thereafter should there be a wait.
3. When a private court is secured, players are entitled to complete their full one hour period of play before vacating. No one has the right to interrupt or remove players who are rightfully on a private court, even if a wait develops during their one hour.
4. There is Township Code of Conduct which shall be adhered to at all times. Signs are posted. Violations will not be tolerated.
5. Due to the increasing popularity of the sport and the demand for court time, rule adjustments are under consideration to best accommodate ALL players. Until any changes are made, the current rules are in effect and must be honored.

Please respect the rules, respect each other, and enjoy the game.

Thank you.

Ronald Barbella

A handwritten signature in blue ink that reads "Ronald Barbella".
