Curbside Residential Garbage Collection Contract Awarded with Options for Rear Yard Collection – To begin September 1st

During the Monday, August 2nd Regular Council meeting, the Township Council awarded a contract to Waste Industries, LLC for the Collection, Removal and Disposal of Solid Waste. The new curbside collection contract will begin on Wednesday, September 1st and includes 2 options for Livingston residents to continue rear yard collection at an additional fee.

Residents who wish to continue rear yard collection can choose the option of rear yard pickup for one garbage container per collection day for \$10.00 per month or the optional service for a maximum of three garbage containers per collection day at \$15.00 per month. Those residents, who want to arrange for rear yard collection service, should contact Waste Industries at (973) 761-0009 and speak with either Lauren or Bill.
