The Livingston Dog Park Engraved Paver Project

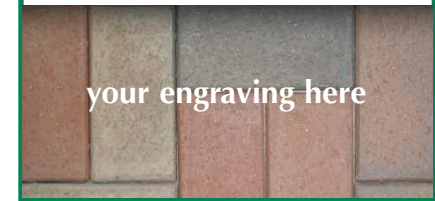

Your financial support of the Engraved Paver Project will be used for a variety of dog park initiatives.

Your paver will be individually engraved according to your order form. Pavers will be installed in the spring and again in the fall.

Create a lasting impression on the place that you love.

The Livingston Dog Park

Engraved Paver Project

Leave a lasting impression at
The Livingston Dog Park

By purchasing a paver along the entranceway to the small or large dog park you can make your pet, your friends, relatives or business a permanent part of the park.

Above image is an example only. Actual pavers will look different.

Each paver measures approx. 5" by 8" and will be engraved to your specifications. This is a perfect way to honor and celebrate those closest to you or commemorate a special event, birthday, or anniversary!

(Please photocopy this form if ordering more than one paver.)

Each paver will hold three lines of text.

Up to 13 characters per line

(a character is a letter, punctuation mark, or empty space; one character per space)

Only language which is deemed appropriate will be engraved.
