

Emergency Telephone Numbers

Out-of-Area Contact

Name _____
city _____
Telephone (day) (____) - _____ (evening) (____) - _____
Cellular Phone _____

The Out-of-Area Contact is one of the most important concepts in your disaster plan. When disaster occurs, you will be concerned about the welfare of your loved ones.

Local Contact

Name _____
city _____
Telephone (day) (____) - _____ (evening) (____) - _____
Cellular Phone _____

In a disaster, local telephone service may be disrupted. However, long distance lines, because they are routed many different ways out of your community, may be open.

Nearest Relative

Name _____
city _____
Telephone (day) _____ (evening) (____) - _____
Cellular Phone (____) - _____

It is also important to remember that the telephone company's emergency telephone network is the pay telephone system. They will restore it before the rest of the system. So, if you have change to make a pay telephone call and an out-of-area contact, you may be able to communicate with loved ones in the disaster area indirectly through your out-of-area contact.
