

Press Release
2010 Leaf Collection Program
October 7, 2010

Revised: Due to the leaves falling later than usual we regret that the Township of Livingston DPW department will need to push forward the pick up of leaves. The new schedule is as follows: Section 1 will not be fined due to the change of dates.

For the fall of 2010, the Township will be divided into three sections for the annual leaf collection program. Leaves may only be placed in the street gutter on the specific dates listed in the 2010 leaf collection program schedule for each respective week and section. The New Jersey Storm water Management Rules state that leaves may not be placed any closer than 10 feet from any storm drain inlet or catch basin and can only be left in the street gutter for a maximum period of 7 days prior to their scheduled collection date. The Township of Livingston is required by the state of New Jersey to enforce the Storm water Management Rules; therefore, failure to follow the leaf collection schedule and requirements could result in warnings and fines being issued to both the resident and respective landscape contractor.

Township of Livingston ordinance Chapter 178, "Littering", of the Township of Livingston General Ordinances, contains the following requirements for the disposal of grass clippings and leaves the 2010 leaf collection season.

1. Grass clippings may not be disposed of by placing them or causing them to be placed (i.e., through air blowers or other mechanical equipment) upon adjacent property.
2. Grass clippings may not be disposed of by depositing them in any catch basin or sewer or by leaving them along any curb line or gutter.
3. Grass clippings may only be disposed of if containerized.
4. Leaves may not be disposed of by placing them or causing them to be placed (i.e., through air blowers or other mechanical equipment) upon adjacent property.
5. Leaves may not be disposed of by depositing them in any catch basin or sewer or by leaving them along any curb line or gutter.
6. Leaves may only be disposed of if containerized, except during the scheduled annual leaf collection program.
7. Leaves may be placed at the curb line or in the gutter of that portion of the public street adjacent to the property from which the leaves are being disposed of only during the annual leaf collection program in accordance with the times and dates of the published leaf collection program schedule. Leaves shall not be placed closer than 10 feet from any storm drain inlet or catch basin and may be in the street gutter only for a maximum period of 7 days before their actual collection.
8. All residents livings on Essex County roads (Beaufort Avenue; East Cedar Street; Eisenhower Parkway; East/West Hobart Gap Road; Kennedy Parkway;

Laurel Avenue; South/North Livingston Avenue; East/West Northfield Road; Old Short Hills Road; Parsonage Hill Road; Passaic Avenue; Shrewsbury Drive; South Orange Avenue; and Walnut Street) and State Highway Rt. 10 (East/West Mt. Pleasant Avenue) are required to place leaves for disposal in bags which have either been provided by the Township or their equivalent. No leaves for disposal may be placed at the curb line of the above-listed streets.

9. Anyone who does not follow the requirements for the disposal of grass clippings and leaves may be subject to a fine as established in Chapter 178, "Littering", of the Township of Livingston General Ordinances.
