

On-line Auction to Sell Old Livingston Street Signs Starts Tonight December 8th at 8 p.m.

We will be broadcasting LIVE on www.livingstonskatepark.org starting at 7:45 p.m. tonight as we count down the start of the auction. Robert Ehrlich will be on hand to explain the process, give instructions, and report on some of the first bids coming into the web site.

Do you want a chance to own your piece of "Livingston, New Jersey" history? Were you born and raised in town? Did you meet your husband, wife, boyfriend or girlfriend at a special street corner? Do you want to use your first or last name as wall art or for a special event centerpiece? Are you interested in buying a Dead End or South Livingston Avenue sign? **Then participate in the auction that will be held on the Livingston Skate Park's web site at www.livingstonskatepark.org beginning tonight December 8th at 8 p.m. through Monday, December 15th at 8 p.m. when the sale ends!** The auction bidding will start at only \$25.00 per sign. The auction will be run by eBay and payment for the signs will be made through PayPal.

The Township of Livingston has generously donated hundreds of Livingston's recently replaced street signs to the Skate Park Committee so that the signs can be auctioned to raise funds for the proposed Livingston Municipal Skate Park. The Committee has been working on this project under the auspices of HCHY. Because the condition of the streets signs vary, each one will be individually posted on the auction site along with a photograph and number (except if only one sign is available for purchase). Many streets will have as many as five signs available for purchase, but unfortunately some streets will not have any. For a preview of the signs, please see the video on www.livingstonskatepark.org.

Purchased signs will be available for pick-up at the Memorial Park Pool Complex by the high school on Saturday, December 20th from 10 a.m. to 1 p.m. Anyone interested in bidding but without Internet access will be able to use a computer in the Livingston Library free of charge. Volunteers will be available to assist those who are "computer challenged" with the auction. To schedule an appointment please call the Skate Park Hotline at (973) 992-6411.

Whether you currently live in town or have moved elsewhere, you should consider buying a street sign as a cherished memory of the special times you spent in Livingston. The Committee would greatly appreciate if residents spread the word about the auction so that people who have moved away from town can find out about the event. A street sign would also make a great gift for any occasion.

Besides the on-line street sign auction, the fundraising effort for the proposed Skate Park continues. Cash donations are welcome. Checks should be made payable to "The Township of Livingston" and mailed to:

Alan Karpas
17 Mayhew Drive
Livingston, New Jersey 07039

Please include "for the Livingston Skate Park" in the memo section of the check. Cash donations are tax deductible.

If you have any questions, please call Alan Karpas on the Skate Park Hotline at (973) 992-6411.
