

**RESOLUTION  
ZONING BOARD OF ADJUSTMENT  
TOWNSHIP OF LIVINGSTON  
NEW JERSEY**

Application #: 2017-425-V  
Decided: June 27, 2017  
Memorialized: July 25, 2017

Motion: Mr. Vieira  
Second: Mr. Bier

**FINDINGS AND CONCLUSIONS**

The Zoning Board of Adjustment of the Township of Livingston, having considered the Application and plans filed in this matter, and the testimony and evidence presented at the hearing on June 27, 2017, the following findings of fact and conclusions are made:

1. The Applicants are: Rus & Mila Milov.
2. The Property is commonly known as 28 Chestnut Street, and is taxed as Block 6900, Lot 36. The property is in the R-1 Zone.
3. The Applicant has satisfied the statutory procedural requirements of service and publication of notice, and there are no taxes or assessments due or in arrears.
4. The Applicant proposes to demolish an existing house, and construct a new single-family house. Violations of the following Livingston Zoning Ordinance was noted:
  - (a) Section 170-96C (2) – Front Yard Setback – 59.2 pre-existing established front yard setback; 58.1 feet proposed; a 1.1-foot variance from the pre-existing established setback is requested.
5. The following persons testified at the hearing: The Applicant, Rus Milov. The Applicants' architect, Larry Appel, of Appel Design Group, Architects. The Board heard testimony, and considered the plans submitted in conjunction with the application.
6. The following persons objected to or expressed interest the application at the hearing: Sue Fang Huang, residing at 32 Chestnut Street.
7. The Applicant has satisfied the statutory requirements of N.J.S.A. 40:55D-70(c) (1) for the relief sought by demonstrating that the applicant has a hardship due to an undersized Property. The Board also found that the variance requested was de minimis considering the prevailing setbacks on Chestnut Street. The Board found that the lot can accommodate the new structure. The Board also found that by granting the variance there will be no substantial detriment resulting to the public good, nor will there be an impairment of the zoning plan or municipal zoning ordinance.

8. Now, therefore, be it **RESOLVED** by the ZONING BOARD OF ADJUSTMENT of the Township of Livingston that the application herein submitted is granted the following variances from the Ordinance:

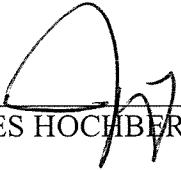

- (a) a 1.1-foot (1.1') Front Yard Setback variance is granted.

This approval is subject to all other requirements of the Township ordinances, building code, and the right of appeal by any interested party. Also, as required by Livingston Ordinance 170-27(A), construction must be commenced within one year of the date hereof or the variance shall expire.

Copies of the Applicant's survey showing the proposed improvements and architectural plans are attached hereto as an exhibit to indicate the final version thereof.

This Resolution is a memorialization of the action of the Board of Adjustment of the Township of Livingston taken on June 27, 2017 in which Board voted six in favor and none opposed to approve the application.
