

**RESOLUTION
ZONING BOARD OF ADJUSTMENT
TOWNSHIP OF LIVINGSTON
NEW JERSEY**

Application #: 2016-13-V
Decided: January 24, 2017
Memorialized: February 28, 2017

FINDINGS AND CONCLUSIONS

The Zoning Board of Adjustment of the Township of Livingston, having considered the Application and plans filed in this matter, and the testimony and evidence presented at the hearing on January 24, 2017, the following findings of fact and conclusions are made:

1. The Applicant is: George Tabatadze.
2. The Property is commonly known as 4 Westminster Drive and is taxed as Block 2200, Lot 37. The property is in the R-2 Zone.
3. The Applicant has satisfied the statutory procedural requirements of service and publication of notice, and there are no taxes or assessments due or in arrears.
4. The Applicant proposes to construct a rear yard deck to an existing single family residence. Violation of the following Livingston Zoning Ordinance was noted:
 - (a) 170-97C (4) – Rear Yard Setback – 50’ required; 9’ proposed; 41’ variance requested;
5. The following persons testified at the hearing: The Applicant.
6. The following persons objected to or expressed interest the application at the hearing: None.
7. The Applicant has satisfied the statutory requirements of N.J.S.A. 40:55D-70(c) (1) for the relief sought by demonstrating that the applicant has a hardship due to the size of the Property (shallow for the zone). It was noted that had the property been a standard size for the zone, the variances would have been unnecessary. The Board found that the lot can accommodate the proposed structure.

The Board found that by granting the variance there will be no substantial detriment resulting to the public good, nor will there be an impairment of the zoning plan or municipal zoning ordinance. Now, therefore, be it **RESOLVED** by the ZONING BOARD OF ADJUSTMENT of the Township of Livingston that the application herein submitted is granted the following variances from the Ordinance:

(a) A Rear Yard Setback variance of 41' is granted;

This approval is subject to all other requirements of the Township ordinances, building code, and the right of appeal by any interested party. Also, as required by Livingston Ordinance 170-27(A), construction must be commenced within one year of the date hereof or the variance shall expire.

Copies of the Applicant's survey showing the proposed improvements and architectural plans are attached hereto as an exhibit to indicate the final version thereof.

This Resolution is a memorialization of the action of the Board of Adjustment of the Township of Livingston taken on January 24, 2017 in which Board voted seven in favor and none opposed to deny the application on the record.
