

**RESOLUTION  
ZONING BOARD OF ADJUSTMENT  
TOWNSHIP OF LIVINGSTON  
NEW JERSEY**

Case # 2014- 6 -V

Motion by: Dr. Shawn Klein

Second by: Mr. Ajay Shah

**FINDINGS AND CONCLUSIONS**

The Zoning Board of Adjustment of the Township of Livingston, having considered the Application and plans filed in this matter, and the testimony and evidence presented at the hearing on March 25, 2014, the following findings of fact and conclusions are made:

1. The applicant is Hao Vo.
2. The property is commonly known as 16 Canterbury Road and is taxed as Block 6700, Lot 20. The property is in the R-1 Zone.
3. The applicant has satisfied the statutory procedural requirements of service and publication of notice, and there are no taxes or assessments due or in arrears.
4. The applicant proposes to construct an addition to a single-family residence including a rear deck and swimming pool.
5. Violations of Livingston Zoning Ordinances:
  - (a) Section 170-96C(4) Rear Yard Setback – 75’ required, 40.65’ proposed; 34.35’ variance required; and
  - (b) Section 170-91B(6)(a) Fence Screening – Evergreen plantings required; no plantings proposed.
6. The following persons testified at the hearing: The applicant and David Stires, PP and PE.
7. The following persons objected to or expressed interest the application at the hearing: none.
8. The applicant withdrew the fence screening variance and agreed the fence height facing the street would be four feet in compliance with the ordinance.

The applicant has satisfied the statutory requirements of N.J.S.A. 49:55D-70 (c)(1) for the relief sought by demonstrating that there is a hardship due to the shallowness and unusual lot lines of the lot.

Based upon the above findings, there will be no detriment resulting to the public good, nor will there be an impairment of the zoning plan or municipal zoning ordinance. Now,

therefore, be it **RESOLVED** by the ZONING BOARD OF ADJUSTMENT of the Township of Livingston that the application herein submitted is granted the following variances from the Ordinance:

A Rear Yard Setback variance of thirty-four and thirty-five one hundredths feet (34.35') is granted.

This approval is subject to all other requirements of the Township ordinances, building code, and the right of appeal by any interested party. Also, as required by Livingston Ordinance 170-27(A), construction must be commenced within one year of the date hereof or the variance shall expire.

Copies of the Applicant's survey showing the proposed improvements and architectural plans are attached hereto as an exhibit to indicate the final version thereof.

The Resolution is a memorialization of the action of the Board of Adjustment of the Township of Livingston taken on March 25, 2014 in which Board voted to six in favor and none opposed to approve the application in accordance with and subject to the conditions and terms set forth herein on the record.

CHAIRMAN:

JAMES MOCHBERG
