

**RESOLUTION  
ZONING BOARD OF ADJUSTMENT  
TOWNSHIP OF LIVINGSTON  
NEW JERSEY**

Case # 2015-9-V

Motion by: Mr. Resnick

Second by: Mr. Dunec

**FINDINGS AND CONCLUSIONS**

The Zoning Board of Adjustment of the Township of Livingston, having considered the Application and plans filed in this matter, and the testimony and evidence presented at the hearing on March 24, 2015, the following findings of fact and conclusions are made:

1. The applicant is George Tabatadze.
2. The property is commonly known as 4 Westminster and is taxed as Block 2200, Lot 37. The property is in the R-2 Zone.
3. The applicant has satisfied the statutory procedural requirements of service and publication of notice, and there are no taxes or assessments due or in arrears.
4. The applicant proposes to construct a new single-family residence.
5. Violations of Livingston Zoning Ordinances:
  - (a) Section 170-97C(2) Front Yard Setback – 60' required, 35.2' proposed, 24.8' variance requested;
  - (b) Section 170-97C(4) Rear Yard Setback – 50' required, 29.25' proposed, 20.75' variance requested;
  - (c) Section 170-87(1)(b) Side Street/Corner Setback – 50' required, 38.25' proposed, 11.75' variance requested;
  - (d) Section 170-87CC(2) Habitable Floor Ratio – 18% allowed, 23.7% proposed; 5% variance requested.
6. The following persons testified at the hearing: The Applicant and Afshan A. Vandal, AIA. The improvement is solely a second floor on the existing footprint.
7. The following persons objected to or expressed interest the application at the hearing: None.
8. The applicant has satisfied the statutory requirements of N.J.S.A. 49:55D-70 (c)(1) for the relief sought by demonstrating that the lot was undersized and non-conforming. The applicant has satisfied the statutory requirements of N.J.S.A. 49:55D-70(d)(4) for the relief sought by demonstrating that the proposed residence will fit within the streetscape and that the

property can accommodate the addition to the residence. The residence is already a permitted use at this location and under Coventry Square the Board granted the D(4) use variance.

Based upon the above findings, there will be no detriment resulting to the public good, nor will there be an impairment of the zoning plan or municipal zoning ordinance. Now, therefore, be it **RESOLVED** by the ZONING BOARD OF ADJUSTMENT of the Township of Livingston that the application herein submitted is granted the following variances from the Ordinance:

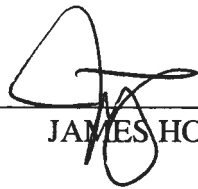

- A Front Yard Setback Variance of twenty four and eight tenths feet (24.8');
- A Rear Yard Setback Variance of twenty and seventy five one hundredths feet (20.75');
- A Side Street/Corner Setback Variance of eleven and seventy five one hundredths feet (11.75'); and
- A Habitable Floor Ratio variance of five percent (5 %') are granted.

This approval is subject to all other requirements of the Township ordinances, building code, and the right of appeal by any interested party. Also, as required by Livingston Ordinance 170-27(A), construction must be commenced within one year of the date hereof or the variance shall expire.

Copies of the Applicant's survey showing the proposed improvements and architectural plans are attached hereto as an exhibit to indicate the final version thereof.

The Resolution is a memorialization of the action of the Board of Adjustment of the Township of Livingston taken on March 24, 2015 in which Board voted six in favor and none opposed to approve the application in accordance with and subject to the conditions and terms set forth herein on the record.
