

**RESOLUTION
ZONING BOARD OF ADJUSTMENT
TOWNSHIP OF LIVINGSTON
NEW JERSEY**

Case # 2011-61-V

Motion by: Mr. Gilman

Second by: Mr. Silverman

FINDINGS AND CONCLUSIONS

The Zoning Board of Adjustment of the Township of Livingston, having considered the Application and plans filed in this matter, and the testimony and evidence presented at the hearing on January 24, 2012, the following findings of fact and conclusions are made:

1. The applicant is Mr. & Mrs. Howard Samuels.
2. The property is commonly known as 35 Tiffany Drive and is taxed as Block 2004 Lot 68. The property is in the R-3 Zone.
3. The applicant has satisfied the statutory procedural requirements of service and publication of notice, and there are no taxes or assessments due or in arrearages.
4. The applicant proposes to construct a new rear deck addition to a single family residence on the property.
5. Violation of Livingston Zoning Ordinance
(a) Section 170-98C(4) Rear Yard Setback (35' required, 17'8" proposed; 22'8" variance requested)
6. The following persons testified at the hearing: The applicant.
7. The following persons objected to or expressed interest in the application at the hearing: None
8. The applicant has satisfied the statutory requirements of N.J.S.A. 49:55D-70 (c)(1) for the relief sought by demonstrating that an undue or exceptional hardship would be imposed upon the applicant by a denial due the unusual shape of the lot. This is more like a side yard than a rear yard and if a side yard, no variance would be required.

Based upon the above findings, there will be no detriment resulting to the public good, nor will there be an impairment of the zoning plan or municipal zoning ordinance. Now, therefore, be it **RESOLVED** by the **ZONING BOARD OF ADJUSTMENT** of the Township of Livingston that the application herein submitted is granted the following variance from the Ordinance:

Rear Yard Setback variance of twenty two feet eight inches (22'8").

This approval is subject to all other requirements of the Township ordinances, building code, and the right of appeal by any interested party. Also, as required by Livingston Ordinance 170-27(A), construction must be commenced within one year of the date hereof or the variance shall expire. All other permits required by the Ordinances must be obtained before a building permit will be issued.

Copies of the Applicant's survey showing the proposed improvements and architectural plans are attached hereto as an exhibit and signed by the Chairman to indicate the final version thereof.

The Resolution is a memorialization of the action of the Board of Adjustment of the Township of Livingston taken on January 24, 2012 in which Board voted to approve the application in accordance with and subject to the conditions and terms set forth herein on the record.
