TOWNSHIP OF LIVINGSTON
NEW JERSEY**

Motion by: Mr. Shah

Second by: Mr. Hochberg

FINDINGS AND CONCLUSIONS

The Zoning Board of Adjustment of the Township of Livingston, having considered the Application and plans filed in this matter, and the testimony and evidence presented at the hearing on December 11, 2012, the following findings of fact and conclusions are made:

1. The applicant is Shiyong K. Rong.
2. The property is commonly known as 4 Trafalgar Drive and is taxed as Block 2400, Lot 29. The property is in the R-1 Zone.
3. The applicant has satisfied the statutory procedural requirements of service and publication of notice, and there are no taxes or assessments due or in arrears.
4. The applicant proposes to construct an addition to a single-family residence.
5. Violation of Livingston Zoning Ordinance
 - (a) Section 170-96C(2) Front Yard Setback (75' required, 44' proposed; 31' variance requested.
6. The following persons testified at the hearing: The applicant and his architect, Margeret Pedersen, AIA.
7. The following persons objected to or expressed interest the application at the hearing: None.
8. The applicant has satisfied the statutory requirements of N.J.S.A. 49:55D-70 (c)(1) for the relief sought due to an exceptional hardship relating to the lot because of the topographical conditions including a rear stream forcing the residence to be built closer to the front yard and a slope in the rear making development there impractical.

Based upon the above findings, there will be no detriment resulting to the public good, nor will there be an impairment of the zoning plan or municipal zoning ordinance. Now, therefore, be it **RESOLVED** by the ZONING BOARD OF ADJUSTMENT of the Township of Livingston that the application herein submitted is granted the following variances from the Ordinance:

Front Yard Variance of thirty one feet (31') is granted.

This approval is subject to all other requirements of the Township ordinances, building code, and the right of appeal by any interested party. Also, as required by Livingston Ordinance 170-27(A), construction must be commenced within one year of the date hereof or the variance shall expire.

Copies of the Applicant's survey showing the proposed improvements and architectural plans are attached hereto as an exhibit to indicate the final version thereof.

The Resolution is a memorialization of the action of the Board of Adjustment of the Township of Livingston taken on December 11, 2012 in which Board voted unanimously to approve the application in accordance with and subject to the conditions and terms set forth herein on the record.
