

Livingston Health Department

Virtual Presentation: Colds, Flu, RSV & Covid-19

As the colder months continue, various illnesses such as colds, flu, RSV, and Covid-19 tend to spread more widely. These illnesses can cause similar symptoms ranging from mild to – in some instances – more severe.

Join us for this free program to learn more about these illnesses, including their prevention and treatment.

**Thursday
February 16, 2023
1:30pm - 2:30pm**

Virtual via Zoom

Presented by Dr. Smita Shah of Atlantic Health System

**Atlantic
Health System**
