### Car Fit (In-person)

Thursday, 6/8/2023, 10:00 am

LSCC, 204 Hillside Avenue, Parking Lot

CarFit is an educational program that offers senior drivers the opportunity to check how well their personal vehicles "fit" them and to highlight actions they can take to improve their fit. The entire process takes about 20 minutes.

There's a lot more to safe driving than how you drive. Having the proper fit inside your vehicle can make a big difference and help protect you and those around you.

At a CarFit Event, trained experts will show you how to enhance your comfort, safety and fit within your vehicle.

**THIS IS NOT A DRIVING TEST.**
